plan$well

Position: Full Stack Developer

About Planswell

Planswell uses patent-pending technology to create the most intelligent financial plans in the world, absolutely free. We enable people from all walks of life to align their investments, insurance and borrowing with their personal goals. To date, we have built over 150,000 financial plans for Canadians across the country and have raised over $17.8 million in funding. Most recently, Planswell was named one of LinkedIn's Top Canadian Startups.
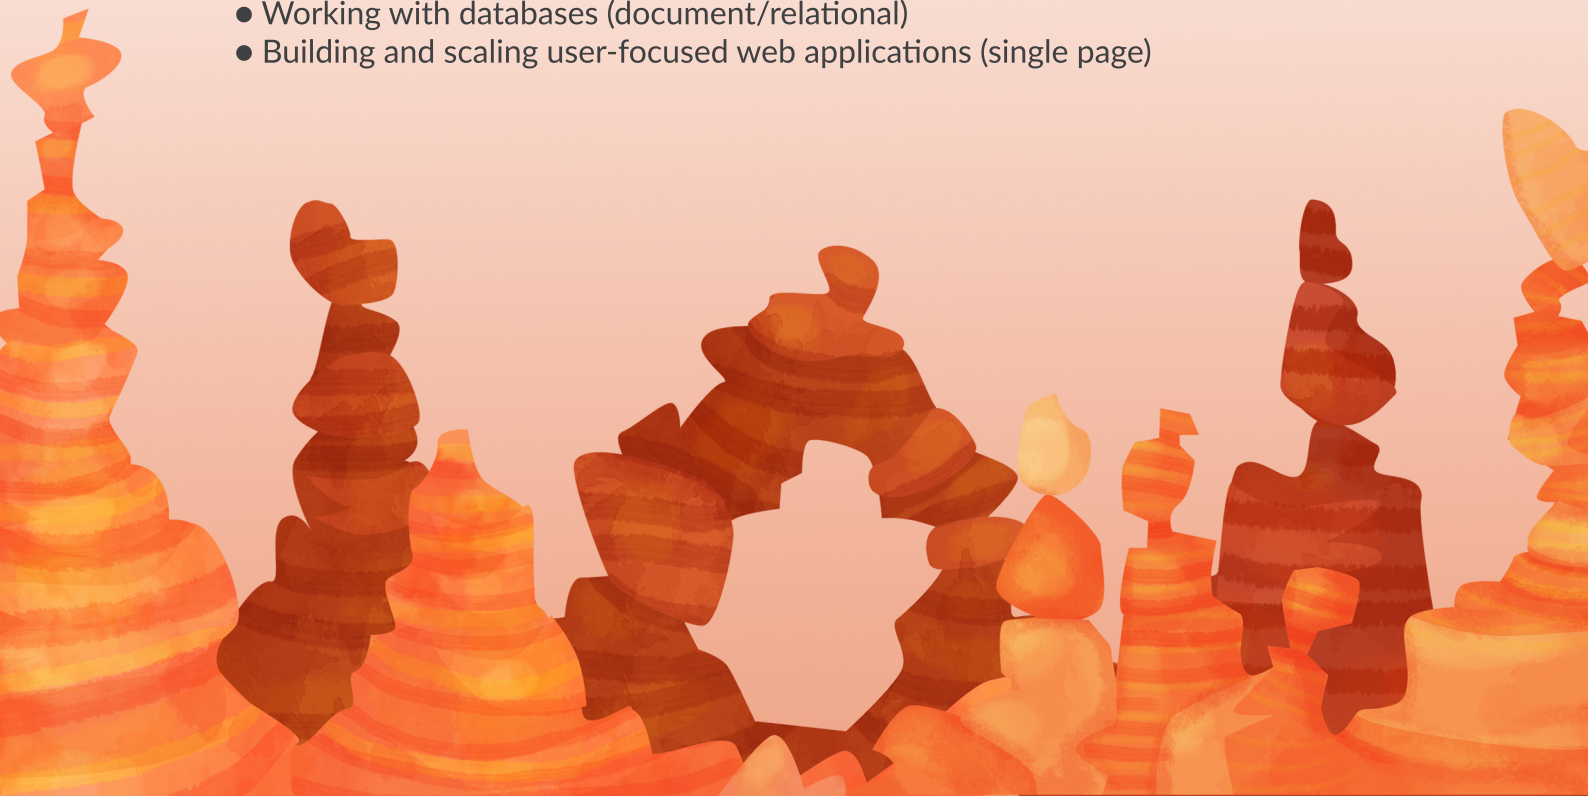

We're looking for a Full Stack Developer with a passion for solving tough problems to join our mission! This is an intermediate-level position that is responsible for building revolutionary web and mobile products.

What You'll Do

● Help Canadians reach financial freedom by building world-class financial planning products
● Write well-tested, understandable code
● Collaborate with other people to provide the best experience to clients (internal & external)
● Fix bugs fast and take your time to solve hard problems well
● Contribute back to the open source community
●Learn and grow constantly to feed your passion for self-improvement and make those around you better

You have 5+ years of experience with:

● Building backend web services
● Working with databases (document/relational)
● Building and scaling user-focused web applications (single page)

planswell

Position: Full Stack Developer

You might also have:

● A history of contributing to our community through code, documentation, mentoring, teaching, speaking, or organizing
● Personal finance/financial planning experience
● A commitment and drive for quality, excellence and results
● Passion for growing development teams and making others feel better about their money

Why Planswell:

This is your opportunity to join an early-stage fintech startup, and work with a dedicated team of 50+ smart collaborators our beautiful office in Downtown Toronto. We offer a competitive salary with stock options, access to group health and dental benefits, flex hours and catered lunch twice a week. We anticipate rapid growth over the coming years, which will allow you to scale and grow with us!

To apply, please send your resumé to careers@planswell.com with subject line "Full Stack Developer - {YOUR NAME}". As well, please take 15 minutes to complete our two-part Predictive Index assessment at https://assess.predictiveindex.com/xYE1q as a part of your application.
